I was paddling hard with the wind and waves coming across my port bow. The storm had calmed down a bit and I was making a mile long mad dash from The Evergreen State College Beach to Young Cove. I bobbed to the surface with a nose full of salt water. I wasn t cold because I had a full wetsuit on. I flipped so quickly that I had no chance to brace. I was just instantly upside down in the water. Noting how peaceful it was underwater I slowly exited the kayak and found my paddle.
