Bellissima Publishing, United States, 2012. Paperback. Book Condition: New. Penelope Dyan (illustrator). large type edition. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you walk on the sunny side of life? Because award winning author, attorney and former teacher certainly hopes you do! Where is the sunny side of the street? Is your life happy and sunny? And what do YOU think may be on the dark side of the street, if there even IS one? Practice your reading skills as you guess what words come next in the rhyme, and then think about what being on the sunny side of the street means to you! And then jot down some thoughts of your own about where your sunny side of the street may be and where it isn't. This book is once again filled with Penelope Dyan familiar characters that you can copy and draw yourself as you learn to read by associating the kid-friendly drawings with the words in this book. And to make the learning experience even more interesting, look for a fun free video on YouTube that you can find on the Bellissimavideo Channel that has the same name as this book; and then sing and dance as you learn! Learning is (after all) something about which we can all happily sing and dance!.
