A HISTORY OF KANSAS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A History of Kansas No State has a history better calculated to inspire patriotism in its people than has Kansas. In this fact lies the greatest reason for teaching Kansas History in the schools. A knowledge of the difficulties that have been met and conquered in building the State will create in the minds of the boys and girls a greater respect for the sturdy qualities of the pioneers; it will give them a wholesome sense of the great cost at which the ease and comfort of to-day have been purchased; it will stimulate in them a desire to live up to the past. If the study of Kansas History is to accomplish these results, the subject must be presented in such a way as to arouse the interest of the pupils. They must feel its reality. They must catch its spirit. With the hope of fulfilling in some measure these requirements, this book has been prepared with the following aims constantly in mind: to make it, as nearly as possible, a narrative; to select from the wealth of material at hand such subject matter as is within the comprehension of children, eliminating such matter as can be fully understood and appreciated only by mature minds; to present the general movement of the State's progress rather than a mass of unrelated facts. Only so much detail has been used as is necessary to a clear understanding of events. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
