In this chapter we propose to explain the general form and arrangement of ancient churches and their furniture, which as before mentioned, is of far greater importance than mere detail: for of what use is good writing if the spelling be bad? or of what use is good spelling if the words have no sense in them? So a knowledge of detail in Architecture is of little worth, if the greater principles of combination be not thoroughly understood. The sin of modern Church Architecture in England until these last few years has not been in the badness of detail, for it has oft times been most pure, yet the building where it is found has been most wretched. It has consisted in the misapplication of those details; sometimes by copying them on too small a scale, thereby rendering them absurd, as....
