By Scott Werdebaugh M a

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.FROM FEAR TO LOVE discusses the process of salvation which all must pass through to be saved. Heavily based in Scripture and the author's own personal life experiences, the book explores what a spirit of fear is, where it comes from, and how God's Spirit of love can draw someone through the Conversion Zone by opening the Door of Trust and entering a life of faith in and obedience to God. This is what the author sees as the process of salvation, wherein one can grow in experiencing and sharing the love of God as he moves away from a spirit of fear, and becomes more and more like Jesus Christ as he is filled with His Holy Spirit of love. A key point in this is enjoying the gift of the presence of God within and through one's life, and how that truth impacts us and all around us to the glory of God.

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
