

The Encyclopedia of TV Spies

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE ENCYCLOPEDIA OF TV SPIES

[DOWNLOAD](#)

BEARMANOR MEDIA, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Before Bond, before Maxwell Smart and Mrs. Emma Peel, we've enjoyed a wide variety of TV Spies. From 1951's *Dangerous Assignment* to today's *Burn Notice*, we've watched cloak-and-dagger adventures from popular successes like *Alias* and *Mission: Impossible* to thoughtful mini-series like *The Sandbaggers* to cartoons and even live animals in shows like *Lancelot Link, Secret Chimp*. Our TV secret agents have worn masks and capes (*Adventures of Zorro*), fought in the historical past (*Hogan's Heroes*, *Jack of All Trades*), been as stylish as Napoleon Solo in *The Man From U.N.C.L.E.*, or have been as frumpy as George Smiley in *Tinker, Tailor, Soldier, Spy*. No one knows more about the wide vista of these undercover operatives than Dr. Wesley Britton, author of the highly-acclaimed 2004 history of the genre, *Spy Television*. Now, Britton has compiled the first indispensable reference book on television espionage unveiling the secrets behind our beloved favorites, the nuggets we might have missed, and the programs that disappeared without a trace after their short original runs. Britton provides the behind-the-scenes creative process for TV spies drawn from both extensive research and his interviews with many participants. He uncovers the reasons why some dramas were either unforgettable hits or regrettable misses. But *The Encyclopedia of TV Spies* is more than a historical overview-. Britton offers analysis of the elements that made key shows innovative and trend-setting and why some of the best productions ever made never jelled with the networks or audiences. And, like a Special Edition DVD, *The Encyclopedia of TV Spies* also includes extra features including articles on tie-in novels and how to collect TV spy music. In short,...
