Big Finish Productions Ltd, United Kingdom, 2016. CD-Audio. Book Condition: New. 142 x 125 mm. Language: English . Brand New. The hit BBC series is back! Big Finish bring immortal Time Agent Captain Jack Harkness and colleagues back to audio life for a fresh series of six new audio dramas. Suzie Costello would never describe herself as a hero. Not even if she were the last woman on Earth. Turns out, she s the second last woman on Earth, and that ll just have to do. With the Earth frozen in time, Suzie becomes locked in a battle to save the planet and the life of Alex, the last woman alive. Hunted by alien warriors, and, with every hour that doesn t pass, the stakes are only getting higher. Suzie Costello would never describe herself as a hero. But she would say she s someone who always makes the right choices. Wouldn t she? The huge, and long-running public interest in new Torchwood adventures resulted in a server melt-down when its return on audio was announced by star John Barrowman on his Sunday night radio slot. This second series was greenlit even as the later releases of the first popular series were being recorded. John Barrowman, Eve Myles, Kai Owen and Gareth David-Lloyd reprise the characters who starred in four years of hit Doctor Who spin-off Torchwood, screened around the world. Indira Varma is hugely busy and respected for her work on the London stage, and here reprises her complicated (and often dead) Torchwood character. CAST: Indira Varma (Suzie Costello), Naomi McDonald (Alex), Nicholas Burns (The Referee). Torchwood contains adult material and may not be suitable for younger listeners.
