WHERE MEDICINE FAILS

Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.First published in 1986, this landmark classic exposes medicine's central problem: a philosophy of dualism undergirding medical theory and practice. Unseen and unquestioned, mind-body dualism lies at the philosophical hard core of medical thought. It defines reality, dictating what can and cannot exist, making psycho-somatic events like placebo effects, wart cures by folk-healers, and blisters caused...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
