

Personality Development

By S.R. Khan

Ramesh Publishing House, 2014. Paperback. Book Condition: New. The basic focus of the book is the enhancement of individual personality by generating some great qualities among the teeming millions of youth that this great country has produced in a given time or year, and sensitising them to inculcate those virtues, which make life better.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
