HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Duke Is Mine, Eloisa James, This Duke is Mine He is a duke in search of a perfect bride. She is a lady--but a long way from perfect. Tarquin, the powerful Duke of Sconce, knows perfectly well that the decorous and fashionably slender Georgiana Lytton will make him a proper duchess. So why can't he stop thinking about her twin sister, the curvy, headstrong, and altogether unconventional Olivia? Not only is Olivia betrothed to another man, but their improper, albeit intoxicating, flirtation makes her unsuitability all the more clear. Determined to make a perfect match, he methodically cuts Olivia from his thoughts, allowing logic and duty to triumph over passion. Until, in his darkest hour, Quin begins to question whether perfection has anything to do with love. To win Olivia's hand he would have to give up all the beliefs he holds most dear, and surrender heart, body and soul. Unless it's already too late. Don't miss a new version of The Princess & the Pea, asking an age-old question: What is a perfect princess?.
