

Philosophical Foundations Leadership (Clt)

Filesize: 6 MB

Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

PHILOSOPHICAL FOUNDATIONS LEADERSHIP (CLT)

Transaction Publishers. Hardcover. Book Condition: New. Hardcover. 114 pages. Dimensions: 9.5in. x 6.3in. x 0.6in. The nature of leadership and the human qualities that promote or inhibit it have a long history in Western thought and remain a central concern in modern societies. Crises in leadership may arise either from human failings or social complexities that defeat or reject those most qualified to lead. David Cawthon examines classical thinkers from Plato to Nietzsche to offer a historical and philosophical perspective on the intrinsic qualities of leadership, and how these qualities are coded into the souls of some, but not of others. Cawthon begins by tracing the ancient roots of the inquiry into character and leadership. He guides the reader through what Plato believed was the code of the soul of the truly successful leader and Aristotle's idea of the golden mean that enabled freemen to rule. Turning to the Christian period, the author examines the thought of St. Thomas Aquinas who, like Aristotle, perceived a natural hierarchy among humans with the rational power of their intellect enabling a few to lead the many. St. Augustine, a Platonist and idealist, propounded the unity of faith and reason in a discussion of the nature of human activity in the City of Man and the City of God. Cawthon shows how the rise of secular philosophy occasions an opposition between individualist and collectivist approaches to leadership. The rationalist Thomas Hobbes upheld absolute monarchy, but recognized a restricted social contract under an autocratic king. John Locke, in his turn, presented natural laws and a social contract based upon the consent of the governed. Rousseau pragmatically favored guided democracy under the manipulation of the most persuasive individual. Hegel, drawing on the fundamental role that conflict played in the evolution from antitheses to a new synthesis, placed...
