Because it is my opinion that while we can get a 300 page book on 1 Christian theological concept, we cannot get a simple book in approximately 100 pages that adequately covers the Christian story in its entirety that we can simply carry with us to reference for on the spot dialogue; the following quote summarize our current plight: Many high school seniors believe that Sodom and Gomorrah were husband and wife, while a majority of Americans cannot name one of the four Gospels. Jay Leno asked his Tonight Show audience one night to name one of Jesus twelve apostles; they came up empty. James Stroud has done undergraduate studies in both History and Religious Studies as well as post graduate studies in Theology...
