GENERAL COURSE OF STUDY. Preliminart.--For the purpose of a thorough examination and illustration of the subject, a course of study has been prepared of graded schools, where there is an opportunity for the complete development of an educational system. The course comprises four departments of three grades each, requiring on an average twelve years study. The school-year is divided into three nearly equal parts, conforming to the general custom in this respect. In those schools where a division into two or four terms is adopted, the changes needed will refer only to the details of the work of each grade, and can easily be made by the teacher. Following the general detailed course will be found suggestions in regard to the course adapted to ungraded and country schools, and also in regard to the methods to be pursued to remedy the...
