Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Alternating Currents: A Text-Book for Students of Engineering The number of text-books dealing with the present subject is already so large that a few words are necessary to explain the reason for an addition to that number. For some years the author has been engaged in lecturing on electrical matters to the students of Engineering at the Engineering Laboratory, Cambridge, and he has experienced a difficulty in recommending to the men a suitable book on this subject. In the course of study for the Mechanical Sciences Tripos the subject of Electrical Engineering is but one of several, and consequently a student has not the time to devote to a proper study of the larger books already available either in English or German, and the smaller books scarcely cover the ground with which the course deals. Hence it was felt that a compilation of the more important points was desirable. It was also hoped that such a compilation might possibly be of some use to teachers in general. In such a book as the present, dealing merely with the broad outlines of the subject, little that is not common knowledge can be embodied, and hence very few references are given. To the student such references are merely distracting, and to a more learned person (should such a one honour the author by reading the book) they are unnecessary. The treatment of the question is largely based on the use of vectors, supplemented by simple analytical methods when it is desired to obtain numerical results. The symbolic treatment has been found by the author to appeal to a very limited number of students, and hence has not been...
