Date :2011-1-1. Examination difficult. more difficult to test health care type of examination. This is well-recognized fact. Particular class of health care Examination pass rates lower. although this is unreasonable. but not about the candidates and policies. only positive examination. for a pass. However. medical (including nursing) knowledge has its own characteristics. reasons are: First. curriculum and numerous broad scope of the study: the course covers a lot of doors. Second. the proposition is not standardized. the topic and the idea of ??Mo Buzhun candidates: Some questions simply have to let the candidates who did not think the topic level. and some rare and not the marginal. the book can not find the answer. some questions still very controversy. Third. the health care category candidates. most of the busy clinical work. less time. practice and review of the conflict. to work with the shift of the distress are common problems. Now is such a game. the health care category qualifying examination is difficult. but had to test. then how do...
