Quick American a division of Quick Trading Co ,U.S., United States, 2005. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book. Jeffrey s Journey is a remarkable success story about a loving family s refusal to give up on a deeply troubled child. Written by his mother and grandmother, the book chronicles the struggle of a very young boy diagnosed with severe behavioral problems, including compulsive and oppositional defiance disorders. By age seven, Jeffrey had seen multiple doctors and been prescribed over a dozen prescription medications to control his violent rages but nothing had helped. Then state officials gave Jeffrey s mother an ultimatum: find something to manage your son or lose him to institutional lock-down. Extensive research convinced this conservative, Christian mother that medical marijuana could be her son s last hope. Working with a courageous pediatrician and a patient s cooperative, she discovered that cannabis calmed her son, allowing him to function so well that he was able to attend school and enjoy friends. Jeffrey s Journey details the success of Jeffrey s treatment, Debbie s court battle defending her son s right to unconventional medicine and the threat to Jeffrey s on-going care by federal raids on California s medical marijuana dispensaries. Includes material from the pediatrician who supervised Jeffrey s marijuana therapy, letters from other struggling parents who heard about Jeffrey s story on 48 Hours, and a resource section.
