Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Housekeeper s Guide You will find that the little details are the ones that reveal the systematic housekeeper. Thus, if an early breakfast is desired, the table will be set the evening before; the kindlings for the fire, if she cooks by wood, will be all ready overnight. If she is in a hurry for tea or coffee, her kettle will soon be singing its merry tune, for at first she will only put in a little more than the water necessary for the coffee; after this has boiled and the coffee is made, the kettle will be filled up for the after-breakfast dish-washing. A less thoughtful one would have filled the kettle at once and anxiously waited for it all to boil. If you have servants you must be prepared to see them blunder; in America, where servants usually have no especial training, the housekeeper will find it necessary, gently and patiently, to teach by line upon line, precept upon precept. Many a housekeeper will tell you that, after just such teaching, her servant has suddenly left because she found skilled service would bring higher wages. There is nothing to do in such a case but to begin again, comforting one s self by the thought that somehow, somewhere, the sum total of human comfort has been increased because of her teachings. But a little thought for the personal comfort of a servant; the seeing that her bedroom arrangements are made really neat and desirable; occasional hints and assistance as you see her striving to make her own dresses, etc.; the loan of a book, if she can read; gentleness and patience always -...
