Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

Indiana University Press, 1992. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This first ethnographic study of a folklife festival focuses on festival participants-the dancers, musicians, storytellers, and artisans at a public display of folk culture. These essays investigate the contention by supporters of these events that this form of folkloric representation is as intellectually legitimate as scholarly research.
