Getting the right people on the bus is only the beginning. The Good Bus is compact, readable leadership primer that begins with Jim Collins s concept of getting the right people on your bus. Corliss expands on this basic principle, showing how great leadership only BEGINS with hiring smart - it also includes: -job fit (making sure the right people are in the right seats on the bus), -aligning individual goals with organization purpose (heading to the same destination), -having fun (singing Kumbaya). Each step of the way, Corliss gives practical advice about human resource management. Creating a winning team and strong corporate culture isn t rocket science. It s just common sense: Leaders must be excellent people managers, and they have to comprehend how their own behaviors affect their business.
