Excerpt: . . . ass between two bundles of hay is only too familiar, but the recognition of its fundamental fallacy is not so common. If the self were purely passive or purely indifferent, waiting upon stimulation from without, then The Propulsive Phase of Interest. It is true that the term interest is also used in a definitely disparaging sense. We speak of interest as opposed to principle, of self-interest as a motive to action which regards only ones personal advantage; but these are neither the only nor the controlling senses in which the term is used. It may fairly be questioned whether this is anything but a narrowing or degrading of the legitimate sense of the term. However that maybe, it appears to me certain that much of the controversy regarding the moral use of interest arises because one party is using the term in the larger, objective sense of recognized value or engrossing activity, while the other is using it as equivalent to selfish motive. the self illustrated in this supposed example would remain forever helpless, starving to death, because of its equipoise between two sources of food. The error is in the supposition of this balanced internal condition. The self is always already doing something, intent on something urgent. And this ongoing activity always gives it a bent in one direction rather than another. The ass, in other words, is always already moving toward one bundle rather than the other. No amount of physical cross-eyedness...
