

The NASA Deception: Rocket Scientists Gone Mad

By Michael Fleming

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ever since the Soviets have first expressed an interest in space exploration, the jealousy of American leadership followed. As with the Central Intelligence Agency and the Al Qaeda scandal, hiring a group of rebels to fight Soviet leadership, NASA began illegal research and experimentation on October 1, 1958, with a \$100 million dollar per-year budget. NASA's treason has proven no less than the blowback of the Al Qaeda missions, and the CIA's cooperation with this domestic terrorist organization has proven to be no more beneficial to Americans, to the Soviet jealousy, or to society in general. From the moon landing hoax to chemical terrorism against their own citizens, NASA has accomplished less than nothing for society - just like the CIA, DARPA, and the NSA.
