When in Doubt, Write It Out : An Intensive Study Manual for Students of All Ages.

By Robert A Eisenstein

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you need to ACE your Exams in College, High School, or for your Professional certification? Students of any age are familiar with those unpleasant pre-exam jitters which I call, Study Anxiety. You have an Exam coming up and you ask yourself the big question, Where do I even begin? Maybe you re experiencing the same issues that I did: inability to pay attention in class and a lack of focus on the given topic? I started writing this book over 25 years ago, which was almost a quarter of a century until I was diagnosed with ADD, or Attention Deficit Disorder (similar to ADHD, but without the Hyperactivity component). However, in my College days, I knew I had to fight hard against the foggy brain that I was battling to absorb so much class work. Then, in an agonizing attempt to prepare for a Midterm exam, it all just came together for me, and I found a way to methodically trick my brain into helping me as opposed to hindering me, and I was playing on it...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
