Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Peter, a medical school dropout, discovers a way to photograph souls, nothing can stop him from collecting images of what his father Dr. Moylan calls the disease that lives inside each human being. But when a father and son run out of means to continue their medical discovery, Peter attends an evening banquet and leads John Jacobs, the owner of Ellis Hospitals, towards the body of a young woman lying on the ground where they witness something that will cause them to be forever changed. Their friendship enables them to carry out the work they soon learn their fathers have already started. Along the way, they meet Mia who will offer them hope for the human condition. Soul Tracers is a recollection of experiences which explore the true reaches of our human spirit as we know it exists both within and without us.
