In Search Of The Universal Truth, United States, 2013. Paperback. Book Condition: New. Color Interior ed.. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.There are many things in this world that are secret, hidden, and lost. In Search of the Holy Language discloses one of these secrets that could change everything we know. Could it be that linguists have it wrong? As they suspect that language was derived by evolutionary means from simple grunts, and coos in the process from ape to man, as well as the written word as it evolves from chaotic squiggles, dots, and dashes to our current writing of today? Have we been deceived into believing the status quo, or is it a cover-up for the real truth? What if it could be proven that, at a given time in history, all humans spoke, and wrote, one language? That there is a real, and inherent, power in this language? A Language that not only created everything in existence, but that also continually directs the very workings of nature and the physical world even today? A Language that binds the galaxies, and holds the universe together? Without this language, is it possible everything in existence might cease to exist without it? Here is the shocking truth that there is a language of divine origin - NOT CREATED by man, but GIVEN to mankind by a supreme being! The Holy texts of the Old Testament reveal this as the Language of God that spoke everything into existence by the sound of an alphabet. Compared to finding the Ark of the Covenant containing the Ten Commandments, this knowledge, and the power that it wields, could change our world!.
