

Charlotte Stone and the Children of the Nymet

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

CHARLOTTE STONE AND THE CHILDREN OF THE NYMET

[DOWNLOAD](#)

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Charlotte Stone and the Children of the Nymet, Tasha O'Neill, Time is running out for the tree weavers of Syluria as an illness takes hold of the sacred Nymet tree. Their only hope seems to lie in a half-whispered legend of a flame-haired girl from beyond the Dreamtime. Charlotte Stone doesn't feel much like a legend with her life falling apart around her. She is forced to swap her exciting, nomadic lifestyle for a sleepy East Anglian village but Brackenheath is not all it seems - and neither is the lonely old oak on the hill that has been haunting her dreams. Charlotte and the Weaver Tar'sel join forces with some unlikely allies in the form of a straight-laced fairy civil servant and a delinquent elf with a case of 'brown thumbs'. Together they set out to save the Brackenheath oak and with it, an entire hidden world from destruction. Meanwhile, as the roots of the Nymet Tree begin to loosen their grip, an ancient evil awakens, and it's closer to home than Charlotte realises. The Children of the Nymet is book one of 'The Nymet Chronicles', which follows the adventures of Charlotte Stone as she pieces together the puzzle of how the fates of her family and Syluria are irrevocably entwined. The Lord of the Rings meets Artemis Fowl and Lara Croft in Charlotte Stone and the Children of the Nymet, a new fantasy adventure story laced with old magic for the 12+ age group.
