## Walled Kitchen Gardens (2nd Revised edition)

By Susan Campbell

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Walled Kitchen Gardens (2nd Revised edition), Susan Campbell, Walled kitchen gardens were found in the grounds of most large country houses in Britain and Ireland. They were designed to provide a continual supply of fruit, flowers and vegetables. With the aid of heated glasshouses, there would be out-of-season delicacies such as strawberries for Christmas, exotic tropical fruits, figs and grapes. The remains of these gardens can still be seen, some converted to other uses, some simply abandoned; a few have been restored to their previous productiveness. This book examines the history of these old kitchen gardens in the light of what might be seen there today.
