To walk this path is to understand death on an intimate level along with pain, fear, and isolation. I was made to feel like a disease with a shameful secret. I do not feel that way today. Lacking the basic understanding of a damaged soul, Western medicine made feeble attempts to acurea me, but never once in the long years of doctors and hospitals did anyone ever attempt to help me heal. Instead, I chose a different path. When I began to release the inner terrors through writing, the fragmented pieces began to draw together. Over time, the tapestry of my life has woven itself into a magnificent masterpiece. May you raise a candle to the darkness and revel in the light.
