MIT Press Ltd, United States, 2008. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. As president of BBN, he assembled the software group that invented both the ARPANET, the forerunner of the Internet, and e-mail. In the 1970s, Beranek risked his life savings to secure the license to operate a television station; he turned Channel 5 in Boston into...
