Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

(Adan Fritsch)

CHANGING THE PATTERN: THE STORY OF EMILY STOWE (STORIES OF CANADA)

Napoleon Publishing, 2004. Hardcover. Book Condition: New. Winner of a Heritage Toronto Award of Merit! When Emily Stowe was born in Ontario in 1831, every girl's life followed a set pattern. Regardless of her personality, intelligence, capabilities or creativity, her future was limited to housework and childcare. Emily Stowe was determined to change that pattern. Sydell Waxman, a writer, researcher and lecturer on women of the 1800s, tells of the events in the life of the young Emily Stowe which caused her to become, not only the first woman school principal and the first woman to practice medicine in Canada, but a pioneer in the fight for women's rights. With the help of original sketches and archival material, Changing the Pattern also creates a vivid picture of Canada in the late 1800s as it follows Emily's crusade to create new patterns for girls' lives.
