Paul Holberton Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 260 x 212 mm. Language: English . Brand New Book. A celebration of the creative genius of John Ruskin (1819-1900) as represented in his distinctive draughtsmanship. Ruskin s drawings and watercolours will also be read as indicators of periods of euphoria and intellectual engagement, as well as moods of bleak despair and his eventual descent into insanity. On other occasions, and especially during phases of mental fragility, he drew to establish certainties about the physical world upon which he might rely. We know that Ruskin s drawings must be seen as clues to his emotional state, and may be interpreted in physiological...
