Brand New Book ***** Print on Demand *****.Excerpt from Doctor Vandyke: A Novel A man was sitting in a house on Gloucester Street, in Williamsburg, Virginia, about a hundred years ago, busy at a very singular employment. In this lower world the inner character of men and things connects itself so mysteriously with their outward appearance, that a pen-and-ink sketch is desirable of the room in which the person age we have introduced was sitting, and of the personage himself. It was the front apartment of a small house, standing somewhat back from the street, in the midst of a small garden, given up chiefly to flowers; and, as the season was autumn, the borders burned with prince s - feathers, asters, yellow primroses, and late geraniums. You approached by a gravel-walk, mounted two stone steps, entered by a heavy door, or namented with an enormous brass lock, and, passing through an inner door on the right, found yourself in the apartment mentioned. It was half sitting-room, half laboratory. A thick carpet, with lozenge-shaped figures of black and red alternately, covered the floor, and...
