Cancer on the Brain takes you on an emotional roller coaster as you experience the trials of Jay Lefevers, a man who struggles with severe medical conditions, the challenges of a growing business, and a little league baseball team that isn't supposed to win. As he works to turn a group of inner city kids--many from rough backgrounds--into a winning baseball team, the author faces even bigger challenges: a brain tumor and cancer. His story of treatment and recovery will grab you by the heart and never let go. Rather than giving in to self-pity, the author uses his illness to teach his players, his family, and his workmates the amazing power of determination. A lifelong baseball fan and accomplished athlete, the author doesn't let his condition stop him from coaching kids from the tough side of Phoenix--or indulging his lively sense of humor. As he comes to appreciate the challenges his players face on a daily basis and leads them to victory, he deepens in his dedication to the team and his faith in his own destiny....
