Not illustrated. 1905 Excerpt: .The heavier exhibits, including the concrete block machines, the mixers, gasoline engines, etc., will be located In the Frele GemeInde hall, which Is located on the same block. This building has capacity for all of this class of exhibits which are likely to come to the conA ention. The headquarters have been moved, on the recommendation of the locil committee, to the Republican hotel, which is on the same block as the halls, and is an excellent hotel. The building for the heavy exhiblts Is on the route from the headquarters to the convention hall, and all are easy cf access from each other. The headquarters hotel Is about two blocks from the city hall and the hotels In that neighborhood. AM the railroad passenger associations but the New England have granted the usual rate at one and onethird tares for the round trip, on the certhlcate plan. Tickets must be purchased to Milwaukee and a certificate on the prescribed form must be taken Ciom the ticket agent when the ticket is bought. This certificate must be pieeented at the convention to the assistant secretary, where It will be validated by the railroad agent on payment of a fee of 25 cents, which the railroads require for this service, and will then enable the holder to purchase a return ticket to his place of starting at one-third the regular fare. Those coming from New England can procure their certificates at the points where they enter the...
