Banjo Press, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Evoking the imagery of Roald Dahl if he were to fight his way out of a blender, Not a Princess and the Cow transgresses beyond the traditional fairy tale, empowering, inspiring, and befuddling young and old alike, though this twisted tale is especially well-suited for preteens and young adults. When a storm follows a young woman to a doomed king's door, the king sees hope for his kingdom for the first time in the form of a wife for his idiot son. After numerous animals and mattresses, the king finds that he could strap this young woman to a cow for all she cares, which he does, only to realize he'd rather follow that cow-bound goddess than leave his kingdom to a clod. But look at her Father, even dry with her clothes hanging limp, like laundry on the line, she is clearly meant to be my queen! She could not have slept well! She could not! She could not! She could not! I assure you I have never had a poor night's sleep in my life. It isn't true! pleads the Prince. I have never had to count so many as one sheep, neither have I ever awoken before it was time. You do not know what you are saying! the Prince cries leaping to his feet. If I knew what I was saying, I would never bother to...
