Simplified Phonics: Kindergarten

By Mesrop Khachatrian

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on our creation we wrote a workbook (Simplified Phonics), which is very easy and teaches reading and writing of all the three letter words and many short sentences in several weeks. The book has some other advantages, which make the learning material much easier. Here are some: 1) We delay teaching the ABC and the uppercase letters, because at this stage children don't need to use them. 2) All the words in the book are three letter words with short vowels. 3) Each letter has only its basic sound in different words. 4) The words are written with both animal/letters and the regular black letters. 5) Reading and writing are based on phonics: [k, a, t] = cat, cat = [k, a, t] 6) Exercises of the workbook are full of pictures, very easy and fun.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
