Excerpt: .a book which anyone interested in mechanics will read with pleasure. Nasmyth had played in his father s private workshop from earliest boyhood, and before he was twenty had become an expert mechanic, with one ambition in life, to work for the great Mr. Maudslay. He went to London with his father, and together they called on Maudslay, who showed them courteously through his plant. Maudslay at first declined to consider employing Nasmyth. as he said he had never had any success with gentlemen apprentices and had definitely determined that he would never employ another. Nasmyth, however, showed him a number of drawings and a working model of a steam engine which he had brought with him from Edinburgh. Maudslay at once perceived that Nasmyth was an extraordinarily skillful workman, and he not only employed him, but took him into his own office as...
