Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

How could it possibly be proved, then? Now ensued a struggle as to the admissibility of this document, which formed, in a legal point of view, the most interesting feature of the case. d The reader is requested to consider a few remarks on the origin and chaHow do you know the business of the court? I hope you have had no personal acquaintance with it? I know it from the statements of the assessor. I applied at the office of the tribunal. The Attorney General.--There is no evidence that this is the regular racter of the Roman Inquisition. In our own Anglo-Saxon laws, the principle is to be found--that offences against the religion recognised by the state, are not merely spiritual offences, but crimes against society, which the state is bound to punish; and hence, in those laws are to be seen secular penalties for spiritual offences. And Balmcz shows that opinions opposed to the interests of morality, society, and the safety of the state, are crimes against the state, and cognizable by the civil power.--Protestantism and Catholicism Compared. Now, this was the general character of the medieval sects against which the Inquisition was directed. If the third Council of Lateran sanctions the...
