Accountability Office, 2008 OCLC Number: (OCoLC)244095094 Subject: Land use -- United States -- Planning. Excerpt: . . . more than 1. 1 billion over the life of the leases, with the Army estimating the bulk of the projected revenue. For example, the Army reported that a lease was signed with a motor vehicle company to provide land for it to install a hot weather vehicle test track at Yuma Proving Ground, Arizona. The track will be available for the Armys use for testing its vehicles, and the Army will obtain additional compensation to allow it to install an 13 additional test track at a total net present value estimated at 26. 8 million over the 50-year life of the lease. In addition, at Nellis Air Force Base, Nevada, Air Force officials reported that land was provided through a public-private partnership to install an electricity generating photo voltaic array whose net present value is estimated at 10. 9 million for electricity that will be provided to the installation over the 20-year life of the lease. Furthermore, service officials...
