Bantam Doubleday Dell Publishing Group Inc, United States, 2003. Paperback. Book Condition: New. 179 x 107 mm. Language: English . Brand New Book. In his Nebula Award -nominated novel The Collapsium, acclaimed author Wil McCarthy introduced a richly imagined future of boundless possibility, where poverty, war, and even death are banished forever. Only now that world's exquisite perfection propels one restless young man toward the ultimate challenge. The Wellstone For the children of immortal parents, growing up can be hard to do. A prince will forever be a prince--leaving no chance for Bascal Edward de Towaji Lutui to inherit his parents throne. So what is an angry young blue blood to do? Punch a hole in the shadow he's been living in by rallying his equally disgruntled companions to make an improbable spaceship, busting out of the so-called summer camp in which their parents have stowed them and making a daring escape across the vastness of space. Ne'er-do-well Conrad Mursk is just along for the joyride--until he realizes this is no typical display of teenage angst. The children are rising up in an honest-to-gods revolution. And, boyo, things are going to get raw.
